15<sup>th</sup> March 2012

Dear

We invite you to our Brereton Family Reunion on **Sunday 6<sup>th</sup> May 2012** at the Plympton Primary School hall. You will have the opportunity to meet some of your Brereton relatives and perhaps find out more about your own family history.

As usual we will commence the reunion with a pooled luncheon at 12.00 noon – **please bring a “plate” of food to share. Tea and Coffee will be supplied.**

We will have some entertainment for you including a photo presentation covering some Brereton family history. If you would like to tell us about any special events in your family we would be delighted.

**We will have available Family group photos from the 2010 Reunion and will once again take family group photos to remember this Reunion.**

You will also have the chance to **win one of several prizes in the lucky ticket draw,**

We still have some of the late Elva Masters’ book “**The Brereton Story**” which will be available at the special Reunion price of \$5.00. The book has a fascinating record of our ancestors who established their families in South Australia since 1852. In years to come members of your family will appreciate having a copy of this great book containing a record of their Family Tree.

If you have any suggestions to make the day enjoyable or know of anyone who may like an invitation to our reunion please let me know.

Please let other members of your family know the date, time and place of this reunion and extend to them our invitation to come.

Yours sincerely

.....  
Keneatha Pick  
for **Brereton Family Reunion Committee**
